Examiner's Reasons for Allowance

1. Claims 1-31 are allowed. The following is a statement of reasons for the indication of allowable subject matter: The examiner is persuaded by Applicant's remarks and amendments, filed, July 24, 2003. In particular, the prior art of record does not teach or fairly suggest the boost converter control and driver circuit turning the boost converter switching device on and off at a predetermined duty cycle to charge backup source during normal power operation in combination with the other recited elements of the claims.
